## *Legal Consultancy Service Proposal*

Dear Mr. Goubrail,

As per our discussion in Jan, please find attached our offer for " Legal Services in Egypt available to the Egyptian community " offered through K Factor Consultancy & Training through our legal consultant in Egypt, Ahmed Zinhom Law Office. We have found this office to be extremely dependable, honest and straight forward in its dealings over the years.

Should the clients wish to directly deal with the Law firm, please advise them to do so.

I have also added on some extra services in Egypt by an accountant who works through the law firm.

Regards,

Karim W. Ibrahim
